General Notes

- All charges apply to inpatients, outpatients, and day cases. Charges shown assume that consultants' fees are charged separately unless otherwise indicated.
- This average tariff applies to United Kingdom (UK) Private Patients and Insurance Companies. Overseas visitors are charged based on the nationally agreed tariff plus premium to cover administration costs.
- An additional charge will be made for any specialist high-cost drugs, medical/surgical supplies used, and drugs issued on discharge.
- All Private patients high-cost consumables are those that exceed £75 per item.
- Charges for Day Cases are based on the complexity of the surgery being performed as documented in this Tariff Document.
- Charges will be made for the use of all non-urgent private patient transport; this will be invoiced separately and in addition to the treatment price.
- A comprehensive list of pathology service tests is available upon request.
- All charges shown are in pounds sterling (£) and are inclusive of VAT.

Terms & Conditions

1.1 General

1.1.1 Please read these terms and conditions below carefully prior to agreeing to undertake treatment as they set out the terms upon which you will be provided with treatment and operate in conjunction with the Dorset County Hospital Private Patient policy.

1.1.2 The tariff applies to private patient admissions from 1 April 2023 to 31 March 2024 unless stated otherwise.

1.1.3 The prices included within this tariff are in the main hospital charges for private patients and do not include the costs of Consultants and Consultant Anaesthetists who will agree charges and bill you directly unless specified otherwise.

1.1.4 All patients are required to sign an 'Undertaking to Pay' agreement before an outpatient, day case or inpatient appointment or treatment can proceed. This applies to self paying and overseas patients as well as those with insurance and will cover any unforeseen costs.

1.1.5 No variations to this tariff will be made unless specifically agreed to in writing by the Trust authorised representative.

1.1.6 Patients should ensure that they understand which Universal Charges will be charged in addition to specified treatment costs prior to undergoing treatment as well as the expected costs for high cost consumables and drugs which will be charged.

1.1.7 The Trust is unable to accept responsibility for any personal property lost, stolen or damaged during a Hospital stay or visit and therefore advises that property brought into the Hospital is done so at the owner's risk.

1.1.8 No clinical treatment is without risk and therefore patients should ensure that they are fully aware of the risks and potential complications arising from treatments prior to undergoing treatments.

1.1.9 Where multiple procedures are performed the hospital will charge 100% of the theatre charge for the primary procedure and 50% of the theatre charge for any other procedures.

1.2 Insurance Companies

1.2.1 The prices listed in the tariff are those which will be billed to insurers by the Trust from 1st April 2023 to 31st March 2024.

1.2.2 A referral of an insured patient to the Trust after 31 March 2023 by the insurer constitutes acceptance of these terms and conditions.

1.2.3 Any signed agreement / contract made between the Trust and the insurer for the provision of Private Patient Treatment to their insured members is made on the basis of this published tariff and any variation to prices contained therein, as agreed in writing.

1.2.4 In the absence of an alternative agreement in writing between the Trust and insurer made by 31 March 2023, the prices contained within this tariff will always apply between 1st April 2023 and 31 March 2024.

1.2.5 The insurer accepts the incorporation of this published tariff and any supporting price schedules referred to in the tariff into any standard contract for the provision of Private Patient Treatment services by the Trust. The tariff supersedes any listed procedure prices, treatments,

procedures, drugs, consumables or other service inclusions or exclusions which may be included in the insurers standard contract.

1.2.6 Where full payment is not made and this has not been agreed in writing between the insurance company and the Trust the Trust reserves the right to collect the shortfall made against these tariff prices by an insurer from the insured patient. The Trust also reserves the right to charge a fee of £25 to the patient, to cover the cost of additional administrative services.

1.3 Insured Patients

1.3.1 The Trust is recognised by most UK insurers and charges will be recoverable under standard health insurance policies within the individual subscriber's agreement.

1.3.2 The medical insurance is a contract between the patient and the insurance company.

1.3.3 It is the responsibility of individual patients to obtain confirmation that any benefits will be sufficient to meet the anticipated cost of the treatment prior to hospital admission. Individuals must ensure that their insurance policy will meet the anticipated cost of the treatment to avoid delays as this confirmation will be required prior to the commencement of treatment.

1.3.4 If subsequent to treatment your insurance company does not recognise your claim then you will be personally responsible for payment. In addition should your insurance company refuse to pay a portion of your bill you will be responsible for payment along with any surcharges for additional costs incurred by the Trust.

1.3.5 Patients should also ensure that exclusions and waiting periods are adhered to prior to arranging for treatment to be undertaken, as defined in their policy (GP referral).

1.4 Self pay patients

1.4.1 If you decide not to complete your treatment plan you will be charged in full up to the date of cancellation of treatment at the rates specified in the private patient tariff. If your consultant decides to amend or cancel your treatment you will be reimbursed for any amounts paid in advance at the rates specified in the private patient tariff.

1.4.2 All patients will be required to pay prior to the day of attending the appointment.

1.4.3 Patients are required to inform the Private Patient Team of any changes to their contact details.

1.5 Cancellations

1.5.1 The Trust reserves the right to charge for cancellations made by the patient as set out below:

Within 7 days of admission/ consultation 50%
Between 2 and 7 days of admission / consultation 75%
On day of admission/ consultation 100%

1.5.2 The Trust will reimburse the patient who has pre-paid for a treatment or appointment in advance, that has been cancelled by the Trust for reasons deemed unrelated to the patients health.

1.6 Late Payments

1.6.1 The Trust reserves the right to charge interest at 5% above the Bank of England base rate for any overdue amounts.

1.7 Drugs and Consumables

1.7.1 The standard the trust applies for drugs is BNF plus VAT + 20%.

The standard the trust applies for high cost consumables is VAT (if applicable) plus 20%.
